Technique -
Multi part
applique, In the
Hoop

Small – with iPhone 6plus and iPad Mini

Medium size with iPad Mini

Medium size with iPad 2nd generation

Medium size with iPad Mini

September –
Tablet Stand

Technique -
Sewing project
with an
embroidered
panel

Sample on the left is bleached muslin for the lining and finger pocket
 Sample on the right uses Rip Stop Nylon –
 the green is the lining and the purple is the finger pocket
 The Rip Stop Nylon will dry faster, but the cotton feels better!

This is the scrubby part

October –
 Mini Spa Mitt and
 Kitchen Scrubby

Technique -
 Scrubby Yarn

Folded

inside top pocket

back zippered coin pocket

November –
